

# MID-OHIO CLASSIC SCOOTERS

## NEWSLETTER

Hello Fellow Scooter Fanatics,

We had a good turnout for the Christmas dinner at the Dutch Kitchen in Plain City on January 15<sup>th</sup>. Lots of good food and story telling for 41 members. And the weather cooperated for a change! Good to see everyone again. If you have never done this event give it a try next year. It's always fun.

Bill Conard collected dues from 18 members at the dinner so that is 18 fewer notices that he has to send out. If you received a notice of renewal lately send him your dues so that he doesn't need to send a reminder. If possible don't wait till the meet as it adds to the confusion when he's doing something else and needs to get your card to you. If paid ahead and you show your card at the meet gate you get in for half price without any questions. The people manning the gate can't be expected to know all of us. Send your money NOW! Thank You!

Don Smith is on the road (to recovery). He still has limited use of his left side but is showing steady improvement. He is now in a rehab facility in Xenia, Ohio. Drop by and visit with him or send a note to: Liberty Nursing Center / 126 Wilson Drive / Xenia, Ohio / 45385. He's in Room #13 close to the front door so he can make his getaway!

We have a new man doing the website [www.midohioclassicscooters.com](http://www.midohioclassicscooters.com) Larry Wood has made many updates and improvements to the site since taking over in January. He seems to be having a good time with it and the site certainly needed someone to work it better. Take a look at it and let Larry know what you think. He's open to suggestions as well. He has a spot for members to do some advertizing and will likely get a trading post going sometime.

Our next meeting is on February 13<sup>th</sup> at Roush's Family Restaurant in Fairborn, Ohio. We can put on the feed bag at noon or so and have a meeting about 1:00 Come on out as we will be discussing the meet in a little more depth. We only have two more meetings after this one to get it all together.
